ANNUAL REPORTS
of the
TOWN OF DANVILLE
NEW HAMPSHIRE

**For the Fiscal Year Ending
December 31, 2009**

DEDICATION

Dawn Weston

This year the Town of Danville is dedicating the Town Report to Dawn Weston, Danville Recreation Chairperson and member for over 10 years. Dawn lost her brief battle with cancer on June 20, 2009.

Dawn moved from Danvers, MA to Danville, NH with her husband Peter and two daughters Caitlin and Emily in 1998. It didn't take long for her to become involved in school, town, and community. She was always looking for ways to better the community for all residents.

Dawn was one of the first members of the Danville Recreation Committee, re-established in 1999. She was the driving force for the Tennis and Basketball courts installed in 2001 at the Clyde Goldthwaite Facility off of Diamond Drive. She worked with the contractor during the planning and installation of the facility. After the completion, you could find her there daily, scouting for trash and checking the overall condition of the courts. When it was apparent that the basketball kept going down the hill, she arranged for the fence around the basketball court to be installed.

Recreation Summer Program was another project and she felt very strongly that every town should have one. She worked tirelessly planning and putting forth a successful, low-cost summer program for seven years to benefit the children of Danville.

Dawn became involved with the VFW Memorial Day Parade Planning Committee in 1999 and was a regular parade marcher. After meeting the wonderful senior citizens on this committee, Dawn began planning Senior Outings, Senior Luncheons, and Coffee Hours and became very involved in our Senior Citizen Community. She was a member of the Vic Geary Center Board for many years. She gave her time freely to make life a little better for others.

Dawn also worked with the three neighboring town's Recreation Departments in the Timberlane District to offer programs to all four towns' residents. The list goes on and on

Dawn's tireless work and dedication to the community is an inspiration to all of us. One person can make a difference.

2009 SELECTMEN'S MESSAGE

The town was saddened this year with the loss of two of our long time residents that have provided us with many years of community service: Janie Sigilman and Dawn Weston. Janie was our Tax Collector since 1979 and Planning Board Secretary since 1972. Dawn provided many years of volunteer service to the town on the Recreation Committee. They will be missed.

The economy continued to have a negative effect on the area including town budgets. One bright spot was the federal government's release of stimulus money to enable states to get "shovel ready" projects moving that had been stalled due to lack of funding. Danville has directly benefited from this program by submitting and being awarded a 100% funded project to replace the Sandown Road bridge. This project, originally approved in 2000, has been stalled for insufficient funding and lack of town support to fund the increased costs. The road has been closed for several years due to the total deterioration of the culvert. The project is now out for bid (January 2010) and the selectmen hope to have the project completed by the end of the summer.

Also accomplished this December, was the signing of the town forest conservation easement with the Audubon Society of New Hampshire. This came about due to the concerted efforts of the Forestry Committee, Conservation Commission, Heritage Commission and the Board of Selectmen.

The town continues to make good progress in reducing our municipal solid waste tonnage by increasing our recycling. While Waste Management costs are going up by 3% in 2010 in accordance with our contract, we are able to actually reduce the budget due to reduced tonnage collected. In 2009, for every ton of solid waste diverted to recycling, the town saved \$78. This doesn't sound like much, until you look at our total disposal costs in 2009 of \$119,800. The more we can reduce that figure, the lower our total waste services cost and hence a reduced tax impact. Recycling pays!

In March, the board adopted a Hazard Mitigation plan for the town. This was a joint effort of various town departments working with the Rockingham Planning Commission to identify various hazards the town might experience and what it might do to mitigate them. This plan will be helpful should the town ever need to apply for federal emergency funds for catastrophic events.

2010 will mark the 250th anniversary for the town of Danville. An ad hoc committee has been formed to spearhead the celebration effort. The planned events are not yet finalized but we expect them to take place in August. Many excellent ideas have been put forth and we look forward to a fine celebration and hope to see good participation by all the town residents. More information will be forthcoming as plans are completed.

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Danville, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Danville, New Hampshire, as of and for the year ended December 31, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Danville's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Danville, as of December 31, 2008, and the respective changes in financial position thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis, appearing on the following pages, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was made for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville, New Hampshire's basic financial statements. The additional information included in the supplementary information section is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Melanson, Heath + Company P.C.

*250th BIRTHDAY
CELEBRATION*

**STATE OF NEW HAMPSHIRE
TOWN OF DANVILLE**

2010 Town Meeting Warrant

To the inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town affairs:

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at the Fire Association Hall in Danville, New Hampshire on Saturday, the thirtieth (30th) day of January 2010, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant. This session shall consist of explanation, discussion, and debate of warrant articles 3 through 21. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

Second Session of Annual Meeting (Voting)

You are hereby also notified to meet on Tuesday, the ninth (9th) day of March 2010, at 8:00 o'clock in the morning at the Fire Association Hall, Danville, New Hampshire to vote by official ballot on the election of town officials and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 8:00 o'clock in the morning until 7:00 o'clock in the evening.

Article 2010-1 Choose all necessary Town Officers for the year ensuing. (March 9th only)

Article 2010-2 Choose all School District Officers for the year ensuing. (March 9th only)

Article 2010-3 Operating Budget

"Shall the town of Danville raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Two Million Five Hundred Thirty-five Thousand Four Hundred Fifty-one Dollars (\$2,535,451.00)? Should this article be defeated, the default budget shall be Two Million Four Hundred Sixty-seven Thousand Four Hundred Twenty-six Dollars (\$2,467,426.00), which is the same as last year, with certain adjustments required by previous action of the Town of Danville or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only." NOTE: This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

Article 2010-4 Highway Sand/Salt Storage Building Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Highway Sand/Salt Storage Building Capital Reserve Fund previously established to build a Highway Sand/Salt Storage Building to fulfill a future EPA requirement for storm water management.

**Recommended by the Board of Selectmen (5-0)
Recommended by the Budget Committee (8-0)**

Article 2010-5 Long Pond Road Culvert Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Long Pond Road Culvert Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (8-0)

Article 2010-6 Cemetery Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the Cemetery Capital Reserve Fund previously established for future cemetery expansion.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (8-0)

Article 2010-7 Colby Memorial Library Expend Interest

To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty Six Dollars and Twenty cents (\$126.20) to purchase library shelving and authorize the use of that amount from the interest income earned from the library's TD Bank checking account and the checking account portion of the NHPDIP (New Hampshire Public Deposit Investment Pool) account. NO TAX IMPACT

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (8-0)

Article 2010-8 Close Library Capital Reserve Fund

To see if the Town will vote to close the Library Capital Reserve Fund with a zero balance. The fund is no longer needed as the building is complete and the funds have been exhausted. NO TAX IMPACT

Article 2010-9 New Police Station Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) to be added to the New Police Station Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (4-1)

Recommended by the Budget Committee (7-1)

Article 2010-10 Police Special Details Revolving Fund

To see if the Town will vote to create a revolving fund pursuant to RSA 31:95-h, for the purpose of funding police special details. All special detail wage related expenses, including wages, FICA, Medicare and NH Retirement shall be paid from the fund. Equipment purchases, replacement, and repair for the police department, upon approval of the Board of Selectmen, may be paid from this fund. All revenues received for special details will be deposited into the fund and all the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund unreserved balance. The Town Treasurer shall have the custody of all monies in the fund, and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was established.

Article 2010-11 Protection of Personnel Equipment Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established for the purpose of purchasing SCBA's (Self Contained Breathing Apparatus) for the Fire Department.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (8-0)

Article 2010-12 Fire Department Vehicle Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) to be added to the Fire Department Vehicle Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (4-1)

Recommended by the Budget Committee (8-0)

Article 2010-13 Fire Pump House

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the construction of a Pump House at the Fire Association pond for maintaining a constant water source for firefighting.

Recommended by the Board of Selectmen (3-2)

Recommended by the Budget Committee (6-2)

Article 2010-14 Municipal Mosquito Control Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Dollars (\$2,200.00) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control.

Recommended by the Board of Selectmen (5-0)

Recommended by the Budget Committee (6-2)

Article 2010-15 Sale of Town Owned Land

To see if the Town will vote to sell Map 3 Lot 92, 81 Colby Road which is located at the corner of Colby Road and Deerlick Road in Danville, and is for the land only, to Mr. and Mrs. Robert Nickerson of 7 Deerlick Road, for the sum of One Thousand Dollars (\$1,000.00). The lot is presently owned by the Town of Danville as an Exempt-Munic and is 0.080 acres in size.

Article 2010-16 Library Employee Policy

To see if the Town will vote to advise the Library Trustees to adopt the Town's Employee Policy Manual for the library employees in order to maintain consistency in employee policies throughout town. This is a nonbinding resolution.

Article 2010-17 Vote Tally on Warrant Articles

To see if the Town will adopt the provisions of RSA 40:13, V-a to have the Budget Committee and the Board of Selectmen include the vote tallies to be printed in the town warrant next to the affected Warrant Article.

Article 2010-18 Purchase Land at the Corner of Main Street and Sweet Street

To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety Thousand Dollars (\$190,000.00) to purchase 5.04 acres of land and building thereon located on the corner of Main Street and Sweet Street. (Map 3, Lot 59-13, 227 Main Street)

**Recommended by the Board of Selectmen (5-0)
Not Recommended by the Budget Committee (5-3)**

Article 2010-19 Citizen Petition - Property Tax Discount

To see if the Town will vote to authorize the Tax Collector to allow a 0% deduction from a Property Tax when payment in full is made within 30 days of the specific billing as authorized by RSA 80:52.

Article 2010-20 Citizen Petition – Milfoil Treatment

To see if the Town will vote raise and appropriate the sum of \$7,435 to fund the second year of milfoil treatment in Long Pond.

**Not Recommended by the Board of Selectmen (4-0)
Not Recommended by the Budget Committee (8-0)**

Article 2010-21 Citizen Petition – Vote on Amendment That Defines “Marriage”.

To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President.

Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines “marriage”.

Celebrate Danville!

2010 marks our 250th Anniversary

In pre-revolutionary times the town we now call Danville was part of Hampton. In 1690 a new parish of *Kingstown* was incorporated that included us. Although we suspect there were families in the region in the mid 1600s, the first settlements were recorded in 1735. The meetinghouse in *Kingstown* was quite distant in those days, and several families in the western part of the parish decided to build their own meetinghouse and petition the King of England for a separate parish. The petition was granted in 1760, and the new town of Hawke was incorporated. Our Old Meeting House stands today as the oldest structure of its kind in the state of New Hampshire in its original condition and as a proud reminder of the sacrifice and dedication of many of Hawke's earliest settlers. It is the crown jewel of our town's historic landmarks, and we are honored that it has been named to the National Register of Historic Places.

At the time of the Revolution, Hawke's population stood at 500. More than a quarter of those fought in the Revolutionary War. Most of the homes in town were self-sufficient farms, with agriculture and livestock as the main industries, although the industrial age was slowly coming to the town, and by the 1820s eight mills for various purposes were known to exist here.

One of the most unfortunate times in our history was the Tuckertown smallpox epidemic in the early 1780s. A small settlement known as Tuckertown west on what we know today as Tuckertown Road just across from the Old Meeting House was ravaged by the plague. The Reverend John Page, the first and only resident minister of the Old Meeting House, took it upon himself to bring food and firewood to those afflicted when all others shunned them. Sadly he contracted the disease himself and died a short time later at the age of 42. John Page's diaries are now the property of Harvard University, where he went to college. We are proud one of Hawke's earliest and noblest citizens is so honored.

Religion, a major reason for the establishment of Hawke, continued to influence our ancestors. The Freewill Baptist Society was organized in 1832, and Deacon Thomas Colby was authorized to build a church on the corner of Main Street and Kingston Road. That very same church stands today as the Danville Baptist Church, now at its new location where it was moved in 1983. Thomas Colby's ancestors remained involved in the church and other town endeavors up until the end of the twentieth century. Lester Colby left a trust that served as seed money for our current library. He also funded the restoration of the Old Meeting House in the late 1930s. The building of the Colby Library and the restoration of the Old Meeting House are just two examples of the Colby family generosity to the town over the years.

In 1836, the town voted to change its name from Hawke to Danville. There is speculation as to the reason for the change, but there is no official record as to why Danville was chosen as the new name.

Travel was becoming more important. Roads needed to be built and maintained. Even as we do today, our ancestors elected a Road Agent who was given the right to tax the citizens for the purpose of maintaining or improving town roads. The tax was based on land owned and personal wealth, and a person was allowed to work off his tax by providing labor and equipment, if he so chose. Earliest travel was by foot or horseback, but as more roads and highways were built, stagecoach travel became more common. Several stagecoach "stops" were known to exist in Danville. One of the last of these unaltered "stops" in New Hampshire is at the corner of Sandown Road and Route 111A. Named to the New Hampshire Register of Historic Places in 2006, it was relocated to its present site from across the highway in 2008 through the efforts of the Heritage Commission and many citizens who donated their time and services.

In the years before the Civil War, Danville typified rural New England life. Most residents still followed agricultural pursuits, but small businesses such as sawmills, cooperages, blacksmithing, and small home-based shoe shops had sprung up to provide additional income for farmers.

The last half of the nineteenth century was a period of growth and prosperity for Danville. In the 1880's stagecoaches and wagons would leave Danville headed for Plaistow to meet the trains going to Boston and points south. The wagons carried grain, wool, barrels, charcoal, and lumber to the depots as well as to the seaports on the coast.

Prior to 1887, most public meetings were held in the Old Meeting House. With the growing population the town needed a larger more modern facility, preferably one with plumbing and heat. In 1886, our current Town Hall was constructed on its present site, although not without some controversy. The folks living in the north end of town felt strongly that the location favored the citizens living in South Danville. There also was an element that objected to its radical, gothic Victorian architecture. The upshot was an attempt to burn the new building down on the very night before the grand dedication. The attempt failed, and the culprits were never caught. The building has changed little over the years, and in 2000 the Heritage Commission succeeded in having our "new" Town Hall placed on the National Register of Historic Places.

Education in Danville over the years was primarily a local issue. Small one-room schoolhouses were built in districts around town to provide education for grades one through eight. These served the town well into the twentieth century, with the white schoolhouse on Beach Plain Road being the last to close in 1939. This building, as well as the old red schoolhouse on Route 111A between Beach Plain Road and Sandown Road, are maintained as historical landmarks by the Village Improvement Society, a private local group. The town owns and maintains the little red schoolhouse on Main Street, across from Hersey Road. In 1912, Samuel Eaton, a beneficent citizen, established a trust to build a secondary school that became known as the Eaton School. It stood where the Fire Association Hall is today, providing education for the first two years of high school. Students progressing beyond that were sent to the Sanborn Seminary in Kingston. In 1962 Danville joined with the towns of Atkinson, Plaistow, and Sandown to form the Timberlane Regional School District.

By the turn of the twentieth century our population had reached 615. This was the era of the shoe industry for Danville. One of the most prominent was the Collins

Shoe Shop, located where the Chenille factory is today. In its heyday it employed 100 or more people. Clarence Collins, its owner, was a very forward-looking man for his time. He installed Danville's first telephone in his shop in 1900. The line extended from the shop to East Hampstead and Hampstead with one phone in each location. He also was instrumental in bringing electricity to town, first to South Danville in 1916, and later to North Danville in 1925. Mr. Collins was a state senator, and in later years was successful in sponsoring the purple lilac as New Hampshire's state flower. He also was an early advocate of women's rights, sponsoring the first bill before the state legislature giving women the right to vote. We are proud of Clarence Collins's accomplishments, and especially pleased he was from Danville.

Danville's population grew to 1100 in the years before World War II. Little else changed. Automobiles became more prevalent, and in 1930 the state paved Route 111A, our Main Street. Up to that point it was a winding dirt road. The years following the war saw the demise of the shoe industry, along with the steady decline of other industries, and Danville slowly returned to the status of a rural "bedroom" town. It is interesting to note that the population was a little over 600 in 1960; the same as it was in 1860. Several new community facilities appeared during this period. In the early 70's the Danville Fire Association began construction of the Fire Association Hall on the site of the old Eaton School, which had been destroyed by fire. The Colby Library, previously mentioned, was constructed in 1972, and greatly enlarged by a new addition in 2004; a safety complex was built in 1985 to house the fire and police departments; a new post office was built in 1988; and the Town's first and only traffic light was installed at the intersection of Routes 111 and 111A in 1995.

In 1996 town residents approved a warrant article designating undeveloped portions of Hersey (Bedbug) Road, Rockrimmon Road, and all portions and branches of Tuckertown Road as Class A trails. In 1998 town residents approved a warrant article by a large majority creating an historic district including all of the town forest as well as the Old Meeting House and its adjoining cemetery.

By the turn of the twenty first century Danville had grown to over 3000 people. Today the population is well over 4000. In the past 50 years or so, our town has more than tripled in size, yet continues to maintain its small town charm. Present day Danville retains a rich historic profile with a large number of private homes and public buildings representing its historic periods. Four of these have been named to the National Register of Historic Places and one to the New Hampshire Register of Historic Places.

Continued growth challenges our citizens to step up to the plate as our ancestors did over the years to protect Danville's unique charm and character, maintaining its historic value, and celebrating and sustaining its rich and diverse heritage.

250th Anniversary Committee

The Anniversary Committee is organizing a town-wide series of events beginning Friday, August 20th and ending Sunday, August 22nd that will include a parade, an auction, a church service at the Olde Meeting House, concerts, exhibits, historic tours, a ball game, food and fireworks. These events should include something of interest for everyone, and we hope the celebration will be enjoyable and memorable for all.

You can expect to hear and see more about the upcoming events throughout the next few months as we approach the celebration weekend.

Enjoy the "birthday" festivities with a spirit of appreciation for all of those who came before us and helped make Danville the place we are proud to call home.

2009 POLICE DEPARTMENT ANNUAL REPORT

The Danville Police Department, with a current sworn staff of 5 full-time police officers, 4 part-time police officers, 2 part-time animal control officers, and a full-time secretary, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, animal control, juvenile services, and a wide array of community focused crime prevention programs.

In 2009 we noted a dramatic increase in calls for service (CFS), which were up nearly 30% when compared to the previous year. Tougher economic times have likely contributed to the increase in certain types of CFS, i.e. domestic disturbances, restraining orders, and burglaries. While I am hopeful we will see a gradual improvement in these areas, as a community, we need to remain vigilant and report any suspicious activity as it unfolds. Please do not dismiss any observations as “non-reportable” as insignificant as they may seem at that time.

Below is a partial summary of our calls for service:

CATEGORY (PARTIAL LISTING)	2009		2009
911 Hang Up	40	Involuntary Emergency Admission	7
ACO Violation (per State RSAs)	168	Juvenile Complaint	23
Aided Motorist	73	Medical	78
Aided Person	70	Motor Vehicle Accidents	47
Alarm	69	Motor Vehicle Violations	1196
Alcoholism - Protective Custody	46	Neighbor Dispute	4
Animal involved Incidents/Investigations	412	Noise Complaint	16
Arrests	135	OHRV Complaint	15
Assist Other Agency (Mutual Aid)	75	Protective Custody (Child in danger)	3
Burglary	18	Public Hazard	24
Child Neglect	3	Radar Enforcement	342
Civil Standby	20	Reckless Operation	11
Criminal Mischief (Vandalism)	35	Recovered Property	7
Criminal Threatening (Intimidations)	7	Registration of Sex Offender	3
Criminal Trespass	6	Restraining Order	35
Disobeying an Officer	6	Security Check	548
Disorderly Conduct	3	Serve Papers	132
Domestic Disturbance	47	Simple Assault	13
Driving after Revocation or Suspension	11	Suspicious Activity	60
Driving while Intoxicated	22	Suspicious Motor Vehicle	81
Drug Investigation	18	Suspicious Person	26
Facilitating Drug or Underage Alcohol Party	1	Thefts	41
Habitual Offender	2	Untimely or Unattended Death	2
Harassment	25	VIN Verification	37
Identity Fraud	11	Violation of Protective Orders	4
Parking Complaint	13	Well-Being Check	33

The police department performed 548 Security Checks last year. If you're planning to be away from your home for any extended period of time, please let us know and we will do our best to safeguard your property while you are away. Security Check Request Forms can be obtained at the Kimball Safety Complex or by downloading the form at

<http://police.townofdanville.org/pdf/Security%20Check%20Form.pdf>.

The police department also has begun using the popular social networking site Twitter, which we hope will help us keep in touch with the community in real time. Twitter allows us to post short 140-character blurbs, or "tweets" as they are known, which will alert residents to breaking news, police activity, announcements, and community concerns. Our "followers", or subscribers, will be able to receive updates from the police department on their computers or through text messages on their cell phones. To join the Danville Police Department's Twitter page, visit <http://twitter.com/DanvillePolice>.

I am pleased to announce the police department was awarded two grants last year. On January 14, 2009, we received \$32,000 of equipment awarded by Project 54, which is a collaborative research and development effort between the University of New Hampshire and the New Hampshire Department of Safety and is supported by the U.S. Department of Justice. The Project 54 system allows officers to interact with equipment such as lights and siren, radar, etc. using speech input and feedback. The Project 54 system also integrates police cruisers into statewide data networks. On August 18, 2009, we were awarded \$9,265 from the Recovery Act: Justice Assistance Grant (JAG) to purchase Vehicle Radio Repeaters through the Communications Enhancement Program.

This past November, along with the Danville Recreation Committee, we co-sponsored the town's 10th Annual Tree Lighting Ceremony. The event was very well attended and as always, a memorable way to kick off the holiday season. In addition to the usual "elves" that contributed so much to help make the event so enjoyable, I'd especially like to recognize Al Hess, Charlie Lucas, and the Bielecki family who give so much each year. Sadly though, we were without Dawn Weston, who lost a courageous battle with cancer last year and whose presence was dearly missed. She was with us from the onset and no one will question she was our "Angel".

Thank you all so much for your continued support of the police department's efforts. I pledge to provide the best, most cost effective police services possible. Lastly, congratulations to Officer Raymond Berube and department secretary, Judy DeRusha, for 10-years of remarkable service to the town.

As always, my best wishes to all of you for a safe and happy 2010.

Wade H. Parsons
Chief of Police

2009 FIRE DEPARTMENT ANNUAL REPORT

2009 was another busy year for the Danville Fire Department. We responded to 352 calls for service. Medical Aid calls were once again the majority of calls that Danville Fire responded to. Trinity EMS has taken over Ambulance Transports from American Medical Response (AMR) in 2009. This change in service was created by AMR's demand to negotiate a contract with the Town to pay a subsidy for their service. The most recent contract with AMR was with no cost to the Town, prior to that the Town paid AMR \$30,000 per year. The Fire Chiefs from the six towns that AMR served, Atkinson, Hampstead, Danville, Plaistow, Newton and Sandown, felt we could find a vendor willing to provide service without a subsidy. We were fortunate to find Trinity EMS and secured a contract with a Zero annual charge. This was a significant savings to the taxpayers of all towns involved.

Danville Fire Department was fortunate to be awarded an "Assistance to Firefighters" Grant (AFG) from the Federal Government to purchase a new 12-lead cardiac monitor. This machine provides multiple life-saving functions that assist our EMTs with critical medical emergencies. I would personally like to thank Lt. Janice Pouliot for all her hard work in securing this AFG for the department and the Town of Danville. We are and will continue to apply for grants to help support the department and the town.

In 2009 we had to replace a furnace that heats the apparatus bay. After much research we decided to replace the existing furnace with an efficient waste oil burner. This furnace allows us to cut down on the amount of heating oil purchased, to save the taxpayer's money and it eliminates our used waste oil liability. In 2010 the Danville Fire Department will begin to accept clean used motor oil at the fire station on Monday through Friday from 8am to 4pm. Hopefully this will assist our residents with their used motor oil disposal and it will also insure us a steady supply of free heat. I would like to thank Facilities Manager, Leon Buzzell, for his expertise and assistance in completing this project.

Once again, I am asking residents to properly number their homes. Four inch reflective numbers on the house and at the end of the driveway or mailbox will greatly assist responders when you have an emergency.

The issuing of Seasonal Burn Permits has been a success, this system allows resident to burn outdoors, when the State allows burning, without coming to the station for individual permits. To make this system even more user friendly we will be accepting telephone renewals for seasonal burn permits. Please call 382-5133 to renew; if personnel are not available, just leave a voicemail. If you do not have a current permit come on in weekdays 8am to 4pm or Wednesday nights from 7pm to 9pm.

The Danville Fire Department would encourage senior citizens and shut-ins to call us if they have any concerns about household safety. We would be glad to check smoke and carbon monoxide detectors in the home, assist with house numbering or address any safety issues they may have. Just call the station and talk with one of us or leave a message.

I would like to congratulate the following members of the Danville Fire Department who have spent many hours achieving higher certification in Fire and EMS Training:

Lt. Brian Delahunty	FFIII	FF Timothy Griswold	EMT-I
Lt. Corey Ward	FFIII	FF David Rice	EMT-I
FF Steven M Woitkun	FFIII	EMT Ashley Griswold	EMT-I
Inspector Tom McLinden	Fire Inspector I	Christianne Unger	EMT

In conclusion, I would like to thank the residents of Danville for their continued support. I would like to ask for your support of the 2010 budget and the important Warrant Article. Help Us, Help You.

Respectfully submitted,
Chief Steve J. Woitkun

2009 HERITAGE COMMISSION ANNUAL REPORT

The Heritage Commission continued its work on the Webster Stagecoach Stop & Store project throughout 2009. Robert Pothier of First Period Colonial completed the dry laid stone foundation and repairs to several sills. Additional requirements by LCHIP in connection with the \$15,000 grant awarded in 2007 were also finalized. In February the Selectmen and Heritage Commission members signed a Stewardship Plan for the building. In April the Selectmen executed a 5-year Stewardship Agreement which has been recorded at the Rockingham Registry of Deeds. The purpose of both agreements is to preserve the historical value of the building and protect the investment in the building by LCHIP, the Town and others.

All work associated with moving the Stagecoach Stop was completed by August and the Town received final payments from LCHIP and DOT for that work. The Webster Stagecoach Stop & Store account shows income of \$39,193.66 from LCHIP and DOT, expenses totaling \$35,299.49, \$11,430.00 in donated services and a surplus of \$3,894.17 (chiefly from DOT's reimbursement for the community service donations). The expenses include a plaque memorializing the donation of the building to the Town, as requested by the Sanborn family, which will be placed at the site this year. Resident Jan Pouliot has also graciously offered her talents to create a wooden identification sign for the building.

The surplus funds from the moving project, combined with the \$5,000 approved by the voters several years ago (and still on deposit in the Heritage Fund) enabled the Heritage Commission to apply for more grants for the Stagecoach Stop in 2009. To pursue these grants the Heritage Commission retained Mr. Pothier to prepare a prioritized list of the building's future restoration and repair needs. Armed with this list we applied for two more grants to address those needs, one from the Moose Plate program and another from LCHIP. We are pleased to announce that Danville has been awarded a \$10,000 Moose Plate Grant and a \$5,900 LCHIP grant for ongoing restoration on the Stagecoach Stop. These grant programs are highly competitive. More than thirty communities applied for Moose Plate historic preservation grants and only five were awarded. The \$10,000 Moose Plate grant will be used for final sill repairs, exterior sheathing and trim board repairs and replacement of all of the exterior siding shingles with new western red cedar shingles. The \$5,900 LCHIP grant will be matched with \$5,900 of funds we already have to address window and window frame restoration, repair the unique rolling track door on the front of the building and replace the existing asphalt roof with western red cedar shingles. With completion of work under the two grants the cost of the items remaining on Mr. Pothier's restoration list would be less than \$2,000. The restoration work will also allow us to open the building for visits by the public during the Town's 250th Anniversary Celebration in August of 2010.

We have been making changes to the Heritage Commission section of the Town's website with the assistance of Rob Collins from the Website Committee and hope you will visit our site often.

We extend our thanks to our two former members, Barbara Byrne and Ron DiCarlo who, like all members, brought their unique talents, energy and enthusiasm to the Commission's work.

The Heritage Commission meets on the second and fourth Wednesday of each month at 7:30 p.m. We invite any resident to join and continue the Commission's work regarding Danville's heritage and historical places. We are currently seeking one full member and several alternates. Applications for membership may be submitted by sending a letter of interest to the Heritage Commission.

The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preserving historic town-owned structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

Respectfully submitted,

Carol Baird, Chairman
John Russo, Vice Chairman
Christine Dube, Member

William W. Gard, Member
John R. (Russ) Pouliot, Selectman Member
Nicole DeSantis- Liaison, Danville Elementary School

2009 CONSERVATION COMMISSION ANNUAL REPORT

2009 “Year of the Conservation Easement”

Almost seven years ago the Conservation Commission was given the vote to go ahead with placing an easement over the town forest. The commission researched several options; finally decided to work with the NH Audubon Society. Several drafts were worked through, joint meetings were held, a boundary survey was done, and a Stewardship Plan was written. The final step was lawyer approval for both parties. On Monday, December 14, 2009 the easement was signed by the Selectmen and the president of the NH Audubon Society, Michael Bartlett. Thank you to the towns’ people for your vote. Thank you to all the town’s boards for their input, time and efforts towards seeing this project through.

Long Pond area residents notified the commission about a milfoil problem in the lake. NH Department of Environmental Services was notified. They were able to put together a treatment program which took place this summer. The treatment was very effective at initially controlling the milfoil. It has been recommended for re-treatment in 2010 as there are some areas of re-growth. Treatment programs for control of non-native milfoil, as the pond has, takes two, possibly three treatments.

The commission continues to actively pursue land purchase options. An LCHIP grant has been applied for to help with a land purchase. A grant was applied for and granted, through the Coastal Watershed and Protection Transaction Grant/Piscataqua Region Estuaries Partnership. The grant monies of \$4000 will be reimbursed to the Conservation Fund to off-set the cost of the boundary survey of the town forest.

Thank you to the Conservation Commission members for your time and efforts.

Judy Jervis, Chair
Walter Baird

Sheila Johannesen, Vice-Chair
Jason Holder

Janet Denison, Secretary
Laura Games

The Conservation Commission meets on the 1st Thursday of the month at 7:30 pm. Occasionally we meet on the 3rd Thursday of the month, depending on the projects we are working on. The meetings are open to the public. There is one seat open. An interested person may apply through the Selectmen’s Office.

2009 HIGHWAY DEPARTMENT ANNUAL REPORT

This year the Highway Department was able to place half of the finish coat on Long Pond Road with the remainder to be finished in 2010. The only major project left to complete on Long Pond Road is the culvert replacement over Pow Wow Brook, we ask that you support the warrant article to put the funds away to complete this project.

We were able to acquire funding from the State to complete the Sandown Road Bridge Project. We are progressing on this project and will begin construction in Spring 2010. We thank all of the people who have supported this project.

Household Hazardous Waste collections this past year were very successful. The spring collection is always held in Plaistow and it was nice to see so many Danville participants. The fall collection was held in Danville and we were very pleased with the turnout of individuals from Danville as well as the other towns and the amount of waste that was collected. Please remember to watch for the spring collection in May to be held in Plaistow.

In April the Highway Department will be sponsoring the 6th Annual Earth Day clean up. This is a weekend where we ask residents to take special trash bags that are free at various locations in town and pick up the trash on the sides of the road. The bags are to be left on the side of the road for pickup by the Highway Department on the Monday after the event. This year we qualified to receive free daffodil bulbs for planting are various area in town. This was done by volunteers and hopefully everyone will enjoy the beauty they bring. Please participate in this event as it helps keep our town roads clean as well as the environment. This event also qualifies as an event on our Stormwater Pollution Prevention Plan with the EPA. Please watch for signs and the newspaper for advertising of this event. Hopefully we can collect more bags than the prior years. Help keep your neighborhood clean and Danville beautiful.

If you find or see any type of illicit discharge, please contact the Highway Department.

We want to thank everyone for the support and if you have any questions, please do not hesitate to contact the highway department at 382-0703. Thank you again.

Bruce Caillouette, Road Agent

2009 CEMETARY ANNUAL REPORT

The Cemetery Trustees have continued to proceed with various projects. We have received the final map copy of Ye Old Cemetery and the third draft of Old Meeting House Cemetery Map, which is almost 80% complete from the Mapping Company. The Trustees will be working on Center Cemetery mapping next year and hope to have all of them complete at the end of 2010.

The Trustees have reviewed the new area at Center and are going to be plotting out burial lots in Center Cemetery for use once the final lots in Old Meeting House Cemetery are sold.

The Trustees met with the Selectmen and were able to have 2 areas on Johnson & Frye Roads for possible future cemetery use. At this time we will be preplanning by asking the voters to put funds away to begin work in the future.

We had the beginning of the stone wall in the new section at the Center Cemetery built and next year are planning on finishing the wall at Center Cemetery.

We all try to work to make Danville's cemeteries neat and clean and upstanding for our Town and we hope that you see that also. If you have any questions, please do not hesitate to contact any one of the Trustees. Thank you.

Leon Buzzell, Beth Caillouette, and Constance Metcalf

2009 ANIMAL CONTROL DEPARTMENT ANNUAL REPORT

In 2009 the Animal Control Department responded to, and resolved, more that 600 calls and complaints. This number represents an increase of more than 200 calls from last year. These calls and complaints involved everything from lost/dogs/cats, abandoned animals, injured animals, loose horses and 4 animal cruelty cases. In addition to responding to calls and complaints, the Animal Control Officer (ACO) also had several accomplishments during 2009.

The ACO again campaigned aggressively and successfully through various advertising media to license every dog in Danville. As a result more than 940 dogs were licensed. This licensing effort raised \$6,367.00 in revenues. Licensing is required by state law and also enables the ACO to be more efficient in returning lost dogs to their owners promptly. Revenues generated in 2009 from licensing and other related fines/fees are:

1. Dog Licensing	\$ 6,367.00
2. Lack of License Fines	\$ 1,926.00
3. <u>Other Fines</u>	<u>\$ 50.00</u>
Total	\$ 8,343.00

On April 18th the ACO held a region-wide low cost rabies clinic in Danville, where 127 animals were vaccinated and 10 animals were micro chipped. Another low cost rabies clinic will be held in April 2010. The ACO continues to assist residents in getting their pets spayed/neutered through a low-cost spay/neuter program through the State. This program is currently available for pet owners whether or not they receive public financial assistance. The ACO also assisted residents and their pets through the Danville Rainbow (Rainbow stands for **R**escuing **A**nimals **I**n **N**eed **B**y **O**ffering **W**elfare) Association by providing funds to assist animals that were in need of urgent medical care.

Since continued training is extremely important to be able to legally and effectively deal with the variety of issues an ACO faces, in 2009 ACO Johannesen participated in more than 170 hours of training on her own time and at no cost to the Town. In January, ACO Johannesen attended and received a certificate for a 2-day Animal Abuse Investigation course held at the New Hampshire Police Standards and Training Council. The ACO also assisted the New Hampshire Fish and Game (NHF&G) on calls regarding illegal trapping and traps. Because of these illegal activities, ACO Johannesen enrolled in the NHF&G Trapper Education Program. She is now a certified Wildlife Control Operator II and a licensed trapper. In addition, ACO Johannesen was awarded a 3-day conference scholarship to attend the New England Federation of Humane Societies conference held in Manchester NH, where she won Field Rescue Stretcher w/wheels by successfully participating in an essay contest. In July the ACO attended and completed the New England Animal Control Academy where she became certified in "Management of Aggressive Behavior with Strategies for Managing Physical Confrontations."

The Department continued to participate in disaster training. ACO Johannesen is currently involved with two regional NHDART (New Hampshire Disaster Animal Response Team) teams. This involvement is on the ACO's own time and at no expense to the town. This year ACO Johannesen participated in two mock disaster drills where a pet friendly shelter was set up. As part of her training for NHDART, ACO Johannesen completed 8 hours of training in Psychological First Aid. Since July of 2004, ACO Johannesen has also served as a representative on the New England Animal Control Academy Board and was reappointed in 2009 as Director for the Academy.

In September this year, ACO Johannesen welcomed a new Assistant ACO, Renee King. Renee brings with her many years of experience as an ACO, most recently for the Town of Fremont.

On behalf of the Animal Control Department, we thank you for your continued support.

Sheila Johannesen
Danville Animal Control Officer, Department Head

RECREATION COMMITTEE

Dawn Weston
Feb 15, 1962 to June 20, 2009

Danville Recreation would like to say Thank You to everyone for their support after the sudden loss of Dawn Weston (pictured with Santa 2008), our Dear Friend and Chairperson. Dawn was a 10 year veteran of the Recreation Committee and is missed everyday.

Danville Recreation sponsored the Senior Holiday Luncheon catered once again by Lindsay Rose Catering with entertainment provided by Frank Paolini. Thank you to the Danville Girl Scouts, their leaders and parents for their help serving and entertaining the Seniors again this year. We would also like to thank all the volunteers who helped make this a successful event for our seniors once again.

The 2009 Tree Lighting Celebration was another successful event. This event is Co-sponsored with the Danville Police Department. Christmas Carols were sung (led by the Danville Girl Scouts) and ornaments were hung while enjoying Hot Chocolate. We welcomed Santa as he arrived in style atop a Danville Fire Truck to light the tree. Santa visited with each child back at the Fire Association Hall where they received a small gift and a picture with Santa. Everyone enjoyed Pizza, cookies and beverages. This year our raffle raised \$400. It will be donated to the Dawn Weston Scholarship fund at the Timberlane High School. Thank you to everyone who helped with this event. A Special Thanks to the Bilecki Family, Al Hess, Charlie Lucas, Danville Girl Scouts, Danville Fire Association, the Danville Fire Dept. and Prime Pizza.

Senior Coffee Hours are held at the Danville Town Hall the third Friday of each month at 10:00 a.m.

Committee Meetings are held the third Thursday of each month at 6:30 p.m. at the Town Hall. New volunteers are always welcome to join the Recreation team.

Danville Recreation Members: Judy Armstrong, Peggy Creighton and Lori Mahoney

FORESTRY COMMITTEE ANNUAL REPORT 2009

Our big news for 2009 was that on December 14 we signed the conservation easement with the Audubon Society of New Hampshire (ASNH). This was the culmination of an effort that lasted more than six years, starting with the town vote to authorize the easement on March 11, 2003. This was a joint effort of the Forestry Committee, the Conservation Commission, and the Board of Selectmen.

It is tempting to see this as the end of an effort. But it is the beginning of a new era for the forest. Now we will need to manage the forest, according to the guidance of the 2008 stewardship plan and the conservation easement, with help and advice from the Audubon Society, other town committees, and the general public. 2010 will be a year of planning and listening.

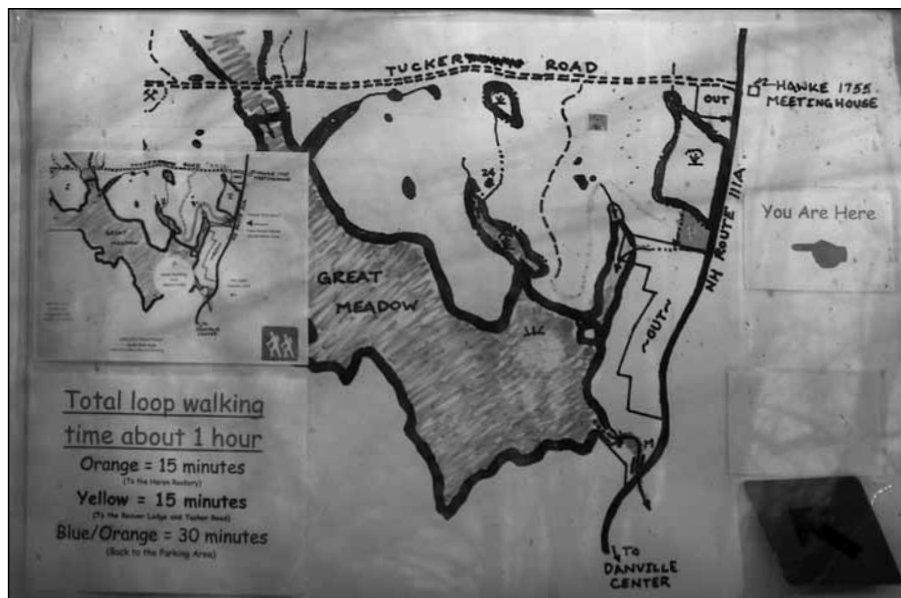

During the last year, there were numerous public walks with various themes. In January there was a Chill Out walk; May our spring walk, and in August an Old Home Day. More events are planned for 2010. The forest is always open, come any time.

David Phillips completed his Eagle Scout project, an orienteering course in the town forest.

The Danville Forestry Committee operates without any cost to the town. The members are all dedicated volunteers who donate their time and materials for the benefit of the public.

The Forestry Committee meets on the first Monday each month at 7:00 at the Town Hall. Visit the Town Forest website at <http://www.townofdanville.org/forestry> . Please call Betsy Sanders at 642-5070 for more information or suggestions for events. Thank you for the success of our endeavors!

Forest Committee Members: Curt Springer, Chris Lauria, Betsy Sanders (Publicity and Outreach Manager), Christiann Unger, and Dave Caillouette

2009 PLANNING BOARD ANNUAL REPORT

In 2009, the Danville Planning Board saw a continued reduction in the rate of residential development within the Town. The Planning Board attributes this to the overall slump in housing prices and current state of the economy. This downturn is being seen across the region and is not specific to Danville. It is unclear as to when the housing market will improve and development will once again pick up. But, in the past year, the Planning Board has seen very few applications. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment. A complete listing of the applications that came before the Planning Board and the status of those applications is contained at the end of this report.

The Planning Board continues to review all of the subdivision and site plan applications to make sure they meet state and local regulations and to help maintain the rural character of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review. In the past year, many of the land owners who came before the Board were looking at innovative methods to subdivide their property. In most cases, these proposals did not meet the requirements of the Town's Zoning Ordinances.

At the 2009 Town Meeting, voters approved all of the Zoning changes recommended by the Planning Board. The Town's support is greatly appreciated. For the first time in many years, the Planning Board does not have any Zoning Warrant Articles on the ballot for 2010. During the past year, the Board did not find any issues with the current Zoning.

During 2009, the Planning Board updated the Town's Master Plan. This included an update to the Town's Capital Improvements Plan and, for the first time, initial information related to the Timberlane Regional School District Capital Improvements Plan. Periodic updates of the Town's Master Plan, ordinances and regulations are necessary to ensure that we stay current with State law and with the type of development being experienced in the region.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

During 2009, the Planning Board saw the passing of long-time Planning Board Clerk, Janie Sigilman. Janie's knowledge of the Town and, more importantly, the people of the

Town provided proved extremely valuable to the Board throughout the years. Janie will be greatly missed.

In addition to the positions up for election in March, the Planning Board currently has two open positions for alternates. These alternate positions provide an excellent opportunity to learn about the activities of the Board and the Town regulations/ordinances. If you're interested in one of the alternate positions, please contact the Planning Board Chairman.

2009 COLBY MEMORIAL LIBRARY ANNUAL REPORT

We had a busy year. We registered 190 new patrons. There have been 16318 patron visits which is a 9.3% increase over last year and a circulation of 40,620 items which is a 10.4% increase over last year. We added 2046 books, 92 CDs, 219 DVDs, and 16 videos. The circulation on the large print books was 1713. Please visit the library to check out our numerous items.

We offer family passes for the Boston Museum of Science, McAuliffe Shepard Discovery Center, and the Seacoast Science Center. We also offer a program called N.H. Downloadable Audio books. Audio books can be downloaded to a computer, Mp3 player, WMA, iPods, and some can be burned on a CD. We have 9 public access computers with Internet access. There is an online resource available to the public at the library and from home PCs via Internet. It is called NHewLink. It provides access to 2,300 periodicals, 1500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database. The State of New Hampshire funds NHewlink. Please come to the library to get your password. We also have "Learn-a Test" which is an online database of practice tests for SAT, GED, ACT, Civil Services exams, etc. We will be offering Ancestry online, a genealogy search tool, beginning in January which can be accessed from the library computers only.

This year's programs included tax lectures, drop-in crafts for children, knitters/crafters group, senior movies, and adult book discussions.

"Summertime and the Reading is Easy" was the slogan for our summer reading program. 81 children participated in this program. Slider from the New Hampshire Fisher Cats team visited on the day of our kick-off and stories were read to the children. Steve Blunt and Marty Kelley performed at the kick-off. In July the Majestic Theater presented the Big Bad Musical. In August we held our annual picnic and children who had participated received certificates and a free book.

The second graders visited us in October as part of a program designed to bring children into the town buildings so they can see what we do. .

We wish to thank the Friends of the Colby Library who have raised money to provide additional programs and provided additional museum passes. Thanks to all who donated books, videos, magazines, and audios.

Library hours were Monday and Tuesday 12-8 PM, Wednesday and Thursday 10AM-6PM and Saturday 10AM-1 PM. Preschool Storytimes are held on Thursday at 10 AM and 1 PM.

Dottie Billbrough, Director

Elizabeth Cameron, Barbara Chalmers, Luis Sanchez, Trustees.

2009 ZONING BOARD OF ADJUSTMENT ANNUAL REPORT

The Zoning Board of Adjustment is empowered by RSA 674:33 to hear and decide appeals for variances from the terms of the Zoning Ordinance, appeals for special exceptions where provided by the Zoning Ordinance, appeals of certain administrative decisions, and appeals for equitable waiver of dimensional requirements.

The Zoning Board of Adjustment meets only when needed for election of officers and other administrative matters. Hearings for appeals are also scheduled when needed. During 2009, there were no applications submitted to the Board until December which will result in a hearing, if needed, in 2010.

The Board meets on Tuesday evenings as needed with hearing notices posted at the Town Hall, the Post Office, and listed in the Carriage Towne News. All abutters to the property affected by the application receive a certified letter of notification of the hearing.

Those seeking a hearing by the Board should contact the Clerk who will assist them in filling out the application and abutters list. All appeals require a public hearing. The requirements for the public hearing are outlined in RSA 676:7.

2009 BUILDING INSPECTOR'S REPORT

Due to the economy this was a very slow year for building in Danville.

The breakdown is as follows:

New Homes	5	\$1,016,000
Decks	11	89,200
Renovations	6	69,600
Sheds & Barns	7	80,828
Pools	6	45,000
Other	7	81,200
Total	42	\$1,381,828

2009 CABLE COMMITTEE ANNUAL REPORT

During 2009, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee and commission meetings. Virtually all Board of Selectmen meetings, Heritage Commission meetings, Conservation Commission meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. Also, Local church services have been broadcast each Sunday morning. When meetings are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

The Schedule for Channel 20 is as follows:

Sunday

9:00 AM Danville Baptist Church
11:00 AM Forestry Committee (rerun)
3:00 PM Planning Board (rerun)

Monday

9:00 AM Conservation Comm. (rerun)
1:00 PM Heritage Commission (rerun)
4:00 PM Selectmen (rerun)
7:00 PM Selectmen (live)

Tuesday

9:00 AM Heritage Commission (rerun)
1:00 PM Budget Committee (rerun)
4:00 PM Conservation Committee
7:00 PM Budget Committee (live)

Wednesday

9:00 AM Planning Board (rerun)
1:00 PM Conservation Commission (rerun)
4:00 PM Heritage Commission (rerun)
7:00 PM Forestry Committee (live – monthly)
7:30 PM Heritage Commission (live - biweekly)

Thursday

9:00 AM Selectmen (Rerun)
3:00 PM Planning Board (rerun)
7:30 PM Conservation Commission or
Planning Board (live)

Friday

9:00 AM Forestry Committee (rerun)
1:00 PM Selectmen (rerun)
4:00 PM Budget Committee (rerun)

During the year, upgrades to the system were made to provide a clearer signal. A fiberoptic uplink was installed to provide a clearer signal to Comcast. However, there is still more to do in this area and the Cable TV Committee continues to work with our provider to improve signal quality.

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator
Colleen Denison, Camera Operator

Town of Danville Mosquito Control

The mosquito control season in 2009 was certainly remarkable. The spring and many of the summer months were rainy and cold, setting the stage for an active Eastern Equine Encephalitis (EEE) season. As a result, all aspects of mosquito control were challenging. More time and effort were dedicated to larviciding as wetlands had a steady supply of water resulting in extensive larval activity.

Eastern Equine Encephalitis had a record breaking year in 2009. Activity was found reaching across the entire southern portion of the state, extending as far north as Moultonborough. New Hampshire's only reported human case occurred in Candia, although multiple veterinary cases were confirmed throughout the state. Mosquitoes carrying EEE were found in 32 communities, including Danville. Positive pools were also found in neighboring Sandown, Derry, Exeter, East Kingston, Kingston, Plaistow, Brentwood and Fremont.

Dragon has identified 82 larval mosquito habitats in the Town of Danville. Crews checked freshwater sites 350 times throughout the season. There were 103 treatments to eliminate mosquito larvae. In addition, 66 catch basins were treated to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was conducted twice last season in response to EEE activity in Danville.

The proposed 2010 Mosquito Control plan for Danville includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are located in stagnant water such as swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in June. The mosquito control program ends in late September or early October when temperatures drop.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

If you're new in town and do not want your property treated for mosquitoes, then a written request is needed. Please send a letter to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your wetland may be treated. Anyone who sent a written request in 2009 may call the office to reaffirm your request. Our phone number is 964-8400. You may call our office for assistance regarding mosquitoes, the insecticides we use, spray dates, or questions about EEE and WNV.

For more information on Eastern Equine Encephalitis and West Nile Virus, visit the NH Department of Health and Human Services online at www.dhhs.state.nh.us or the Centers for Disease Control at www.cdc.gov

Respectfully submitted,
Sarah MacGregor
President
Dragon Mosquito Control, Inc.

CART

The **Cooperative Alliance for Regional Transportation (CART)** provides demand-response curb-to-curb public transportation for any resident of Chester, Derry, Danville, Hampstead, Londonderry, Salem and Windham. Service hours are Monday through Friday 8:00 a.m. to 5:00 p.m. excluding weekends and holidays and passengers are asked to schedule their trip at least 24 hours in advance by contacting the CART call center at 603-434-3569.

Funding for CART is generated through a combination of federal, municipal, and private sector dollars. Federal Transit Administration (FTA) grants cover approximately 50% of CART's operating expenses. Non-federal matching funds come from a combination of grants received from private foundations and the municipalities in which the service operates.

Base fare for travel within one community is \$3.00 per one way trip, travel between communities \$4.00 per one way trip, and travel to out-of-region medical destinations and to Plaistow the fare is \$5.00 fare.

Half-fare privileges are extended to individuals who possess a valid Medicaid card, or receive Town Welfare assistance, or reside in HUD subsidized public housing or are children with Healthy Kids Gold coverage.

Out of region medical destinations are provided on certain days of the week:

<u>Tuesday & Thursday</u>	<u>Monday</u>	<u>Friday</u>
Manchester	Haverhill	Methuen
Elliot Hospital	Pawtucket Med Ct	Holy Family
Dartmouth-Hitchcock	Merrimack Valley Hospital	
Catholic Medical Center		Lawrence
VA Medical Center		Lawrence General

2009 proved to be a productive year for CART, with a 22% increase as compared to the previous year providing a total of 18,562 rides to over 1400 passengers. During the year, 633 trips were provided to Danville residents.

Providing affordable, accessible public transportation is integral to an enhanced quality of life for community residents and improved municipal sustainability. In the coming year, CART looks to continue to foster increased community support for public transportation in the Greater Derry-Salem region through continuing to improve service and expand its menu of services to better serve its passengers and their families.

Respectfully submitted,
Lee Maloney, Executive Director
